# 172 WORDSWORTH CRESCENT, CHESTER,

This charming two-bedroom mid-terraced house has just undergone a full renovation, including a new kitchen, new bathroom, full replastering, new flooring, and a new boiler. The property offers spacious room sizes and is ready to move straight into.

As you step through the front door, you enter a useful porch area that leads into a bright and airy dining kitchen. The brand-new Howdens kitchen features modern white wall and base units, complemented by laminate worktops. The kitchen includes a fully tiled splashback, an electric hob and oven, as well as space for a dishwasher or washing machine. This leads to a rear porch, with the staircase going up and a back door opening out to the rear garden. The living room is situated at the front of the property and features neutral décor with a large window allowing plenty of natural light.

On the first floor, the property has a sizeable landing with a window and a useful storage cupboard. There are two double bedrooms, both positioned at the front of the property, offering generous space. The brand-new bathroom includes a bath with an overhead shower, a WC, and a sink.

Externally, the property benefits from front and rear gardens, both laid to lawn. There is one allocated parking space, as well as ample on-street parking available. Additionally, the house boasts a very handy storage room, which could easily be converted into a separate utility room.

Excellent amenities are on your doorstep, including a range of local shops, the popular cycle track providing access to Chester and North Wales, frequent bus links, and Chester city centre just a 10-minute drive away.
